

Singtel Satellite

Product Factsheet **Isatphone 2**

**Get connected
anywhere with reliable
and robust Isatphone 2**

Introducing the IsatPhone 2 from Inmarsat, designed for the most reliable satellite Communications network in the world. IsatPhone 2 is the latest addition to our handheld satellite phone portfolio with a range of additional features that help you stay connected in the most extreme and remote locations.

Features

Ready

Fast network registration in under 45 seconds and unrivalled battery life, with 8 hours of talk time and up to 160 hours of standby time

Reliable

Operates over global geostationary satellites ensuring reliable call stability and network connection

Robust

Designed and engineered to withstand the most extreme conditions; operates at -20°C to $+55^{\circ}\text{C}$ (larger keypad for easy dialling when wearing gloves); dust, splash and shock resistant (IP65, IK04); humidity tolerance from 0 to 95%

Reassuring

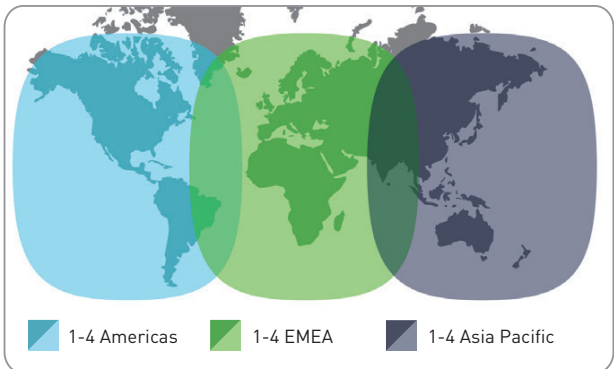

Location services, including tracking and assistance button, keep people updated of your GPS coordinates when it matters. Receive notification of inbound calls even with antenna stowed

Readable

Easy-to-use interface with large high-visibility, scratch-resistant transfective display that is readable even in bright sunlight

Coverage

IsatPhone 2 operates globally over the Inmarsat-4 satellites and Alphasat

This map is illustrative of IsatPhone 2 coverage. It does not provide a guarantee of the extent of service availability. Alphasat coverage prioritises the region north of 44°S , and service may degrade south of this latitude.

Physical	
Dimensions	Length: 169mm (6.7") Width: 75mm (3") with antenna Depth: 36mm (1.4") at deepest point
Weight	318g (11.2oz) - including battery
Display	High contrast colour screen
Interfaces	Micro USB, Audio socket, Antenna port, Bluetooth 2.0
Durability	P65, K04
Operating Range	-20°C to +55°C (-4°F to +131°F)
Services	
Satellite telephony	2.4kbps voice codec
Text-to-text	160 latin/~74 non-Latin characters
Text-to-email	160 latin/~74 non-Latin characters
Features	
Features	Tracking, Assistance button, eCompass for enhanced pointing, Alarm, Minute minder, Microphone muting, Incoming call alerts with antenna stowed, Speakerphone, Bluetooth
Language supported	Arabic, Chinese, English, French, Japanese, Portuguese, Russian, Spanish
