Data Roaming Network Setting

1. What is data roaming network setting?

It is an additional setting which we've developed to give you ultimate control in managing your access of roaming data.

This setting may be found and managed on:

My Singtel app > ... menu next to your mobile number > Settings.

2. If my setting is OFF, what can I access?

You should still be able to connect to an overseas network but not able to use any data at all. Receiving/making voice calls and receiving/sending SMS is still possible at prevailing charges.

3. What is auto-enablement of data roaming network setting?

This feature helps to turn ON the data roaming network setting automatically when you travel to a destination that is covered by your data roaming plan or roaming data bundle as part of your mobile plan. This means you may seamlessly use data the moment you land and get connected to a preferred network.

Similarly, this feature also turns OFF your data roaming network setting automatically when you return back to Singapore from your travels.

Do note that auto-enablement feature only works if you have not turned ON your data roaming network setting before you leave Singapore. If your setting is already enabled previously, there will be no change made to your setting.

4. If I travel to a destination which is not covered by my data roaming plan, will I be charged if my Data Roaming network setting is OFF?

Since the Data Roaming network setting is OFF, you will not incur any roaming data usage, and will not be charged for data usage overseas. Voice/SMS usage is still chargeable at prevailing rates.

5. Is turning on/off data roaming network setting free?

There is no charge to manage your data roaming network setting.

The auto-enablement of data roaming network setting (as seen in #3) is also provided free to all Singtel Mobile postpaid residential customers. You will only need to pay for your data roaming plans and/or any other related data roaming usages.

FAQs for ReadyRoam & Auto Subscribe to ReadyRoam

1. What are the pre-requisites for subscribing to ReadyRoam?

- a. You must have:
 - Either an AutoRoam or Pay-As-U-Roam subscription; and
 - GPRS service;
- b. You must be a Singtel postpaid mobile customer with a mobile line registered under your personal NRIC. Please check with your respective account manager if your mobile line is registered under business registered number (BRN).
- c. You should not have Auto-Subscribed to DataRoam Unlimited Daily.

2. What are the channels available for me to subscribe to ReadyRoam?

You can subscribe to the plan via the following channels

- My Singtel app > Roaming
- Online via [My Account](#)
- Call 1688 (S\$10.90 activation fee applies)

3. Will the start and end date of ReadyRoam plans be based on the timing of the foreign destination that I am in?

The ReadyRoam plans' validity is based on Singapore date and time. Your plan starts immediately if you choose the same day as your date of activation, or at 00:00h Singapore time for future-dated activation. With a 30-day validity period, the plan ends on the 30th day of activation at 23:59h Singapore time.

4. I am transiting via Japan on 1 November and will arrive in USA on 31 October (US Eastern Standard Time). Which start date should I select for ReadyRoam Worldwide 6GB Plan to use roaming data in both destinations?

As USA is 13 hours behind Japan, please select the start date as 31 October to use the ReadyRoam Worldwide 6GB data bundle across both destinations.

5. Can I subscribe to ReadyRoam plans in advance?

Yes, you can subscribe up to 30 days in advance of the selected start date.

6. Can I subscribe to another ReadyRoam 30 Days Plan after I have utilised the purchased data bundle within 30 days?

You do not need to subscribe to another ReadyRoam plan when you have fully utilised the purchased data bundle within the current plan's 30-day validity period. Another new data bundle of the same rate and coverage will be automatically activated and be valid within the 30-day validity period. For ReadyRoam 6GB Plans, an unlimited data bundle of the same rate and coverage will be automatically activated and be valid within the 30-day validity period (from 26 May 2026). Do note that there is no extension of the validity period.

7. How do I unlock the unlimited feature on ReadyRoam 6GB plans?

This feature is specifically for the following ReadyRoam plans: ReadyRoam Neighbours 6GB, ReadyRoam Asia 6GB and ReadyRoam Worldwide 6GB from 22 May 2026. You can unlock an unlimited new data

bundle of the same rate and coverage when you exceed your first ReadyRoam 6GB plan. The unlimited data feature is valid within the 30-day validity period.

8. If I buy 2 ReadyRoam plans (i.e. ReadyRoam Neighbours 6GB and ReadyRoam Asia 6GB), will I get unlimited data on my 2nd purchase of ReadyRoam?

You will not be able to unlock unlimited data on your 2nd manual purchase of ReadyRoam. You can only unlock unlimited data on ReadyRoam for the same coverage if you exceed the original 6GB data allowance of your purchased ReadyRoam 6GB plan. This unlimited data allowance will be charged at the same price.

To illustrate:

If you purchase ReadyRoam Neighbours 6GB on 22 May 2026 and ReadyRoam Asia 6GB on 1 June 2026, you will not enjoy unlimited data on ReadyRoam Asia 6GB.

However, if you consume more than 6GB of ReadyRoam Neighbours 6GB, you will be automatically provisioned unlimited data with the same coverage, price and validity of your initial purchase.

9. If I purchased my ReadyRoam 6GB plan before 22 May 2026 and exceed my first ReadyRoam 6GB plan before 22 May 2026, will I receive unlimited data on my new data bundle (2nd pack) that was automatically activated?

No, you will not receive unlimited data on your new data bundle. However if you exceed the data allowance of your 2nd pack, you can unlock the unlimited new data bundle of the same rate and coverage for your 3rd pack.

10. What happens if I did not completely utilise the purchased data bundle within 30 days?

There will be no refund given for unused data allowance. All unused data allowance will expire at 23:59hrs of the 30th day upon activation.

11. I am travelling to Malaysia and Thailand. Can I use ReadyRoam Asia 6GB Plan in both destinations?

Yes, you can use the 6GB data bundle across any of the 18 destinations if your travel period to both destinations is within 30 days. E.G. 3GB in Malaysia and 3GB in Thailand.

12. I am travelling to Malaysia and Thailand and have both DataRoam 2GB Malaysia Monthly Recurring and ReadyRoam Asia 6GB. Can I subscribe to both roaming plans for my trip?

Yes, you can subscribe to both roaming plans. If you are in Malaysia first, data usage will be deducted from DataRoam 2GB Malaysia Monthly Recurring Plan followed by ReadyRoam Asia 6GB Plan. When the bundled data from both plans have been fully utilised, you will be automatically provided with another ReadyRoam Asia 6GB at prevailing charges.

13. I am travelling to China and Belgium. Should I subscribe to both ReadyRoam Asia 6GB and ReadyRoam Worldwide 6GB plans?

Yes, you can subscribe to both roaming plans. If you are in China first, data usage will be deducted from ReadyRoam Asia 6GB Plan followed by ReadyRoam Worldwide 6GB Plan. When the bundled data from both plans have been fully utilised and you are still in China, you will be automatically provided with another ReadyRoam Asia 6GB at prevailing rates. If you are in Belgium, another ReadyRoam Worldwide 6GB Plan will be provided automatically to you at prevailing rates.

Alternatively, you may subscribe to just ReadyRoam Worldwide 6GB to cover China and Belgium which are both within its 81 destinations.

14. Will I receive any alerts on my data usage consumption?

Yes, alerts will be sent to you via SMS or email when you have utilised 80% and 100% of your bundled data. For ReadyRoam 6GB Plans, you will no longer receive data alert SMS or email when you have unlocked unlimited data. You can set where to receive the alert settings via My Singtel app > Roaming. Do note that the expiry alerts will be sent on Singapore time zone.

15. How can I check my data usage consumption?

You can check via entering the My Singtel app and navigating to the "Roaming tab" at the bottom of the screen.

16. I have subscribed to ReadyRoam plan. When do I receive expiry alerts?

Your subscribed ReadyRoam plan expires after 30 days, at 23:59hrs Singapore time.

The expiry alerts are sent 24 hours and 3 hours prior to the expiry time.

17. Can I sign up for two or more ReadyRoam plans of the same zone (e.g. ReadyRoam Asia) with overlapping subscription periods?

You can subscribe only to one ReadyRoam plan of the same zone within the 30-day period. For your convenience, multiples of the data allowance of the same subscribed ReadyRoam plan will be added automatically when you have fully utilised the data allowance at the same prevailing rates. If you wish to continue subscription after the 30-day validity period, you may sign up for the ReadyRoam plan to start

on the day after your current validity period. For example, if your ReadyRoam Asia plan is valid for 1-30 October, the next plan can start from 31 October.

18. Can I sign up for three different ReadyRoam plans at the same time?

Yes, you can subscribe to different ReadyRoam plans within the same 30-day period. Data usage will be deducted from ReadyRoam Neighbours 1GB first, followed by ReadyRoam Asia 6GB, ReadyRoam Worldwide 6GB and lastly ReadyRoam Others 1GB.

19. Can I subscribe to ReadyRoam plan and DataRoam Unlimited Daily for the same destination within the same travelling period?

Yes. Data usage will be deducted from the DataRoam Unlimited Daily first. Data will only be deducted from your ReadyRoam plan bundle on the days that you do not have a DataRoam Unlimited Daily plan or are outside of your DataRoam Unlimited Daily plan destination coverage.

20. I am Auto-Subscribed to DataRoam Unlimited Daily. Can I subscribe to ReadyRoam plans?

Please note that you will not be able to subscribe to ReadyRoam plans if you have auto-subscribed to DataRoam Unlimited Daily.

For example, if you landed in Argentina and were auto-subscribed to DataRoam Unlimited Daily – Argentina, you cannot subscribe to ReadyRoam Others 1GB. Please unsubscribe the DataRoam Unlimited Daily - Argentina and cancel the auto-subscription via calling the hotline 1688.

21. If I have activated a ReadyRoam plan but would like to have more data, can I terminate my ReadyRoam plans and subscribe to a DataRoam Unlimited Daily plan instead?

Once ReadyRoam plan has been purchased, you will not be able to terminate the plan. You can subscribe to additional DataRoam Unlimited Daily plan to enjoy unlimited data roaming for the subscribed period.

For example, if you have already subscribed to ReadyRoam Asia – you cannot terminate the plan. However, you can subscribe to DataRoam Unlimited Daily – Japan via My Singtel App to enjoy daily unlimited data within our Fair Usage Policy.

22. Is there Pay-As-U-Roam surcharge for the subscription of ReadyRoam plans?

No, there is no Pay-As-U-Roam surcharge for the subscription of ReadyRoam plans.

23. How will the charges for ReadyRoam plan be reflected in my bill?

Below is a sample bill of how the subscription charge will be reflected in your mobile bill.

	Amount (SGD)
One Time Charge (05 Sep 2023)	50.00
Z ReadyRoam Neighbours 1GB (05-Sep-23 to 04-Oct-23)	5.00
G SIM Card	35.00
G Service Registration Fee	10.00

If you have exceeded the purchased bundled data, the charges from the automatically added data allowance (in multiples of bundled data) will be reflected under Data Roaming Usage section within the same bill.

Data Roaming Usage (1MB = 1024KB)			15.00
Date	Destination	Volume	
Malaysia - DiGi Telecom			
11 Sep	E-IDEAS	3.5000 GB	15.00

For example, you have subscribed to a ReadyRoam Neighbours 1GB Plan and incurred 3.5 GB of data in Malaysia. The subscription price of \$5 will be reflected under the 'One Time Charge' section. The automatically activated charges of \$15 (3 x \$5/GB) for the excess 2.5GB will be reflected under 'Data Roaming Usage' section.

24. When should I activate Auto-Subscribe to ReadyRoam plans (AutoReadyRoam)?

If you are a frequent traveler, AutoReadyRoam saves you the hassle of manually activating a ReadyRoam plan each time you travel. When you use roaming in any of the 157 destinations on our preferred networks, we will automatically activate the most affordable ReadyRoam plan for you based on your location and active ReadyRoam plan coverage.

25. What are the channels available for me to activate AutoReadyRoam?

To activate AutoReadyRoam, you only need to perform a one-time activation via My Singtel app > Roaming > Roaming Settings > Auto-subscribe to ReadyRoam

26. Do I need to pay for the AutoReadyRoam service?

No, AutoReadyRoam is a FREE service which you can subscribe before you travel. However, the subscription fee of the activated ReadyRoam plans is charged separately at prevailing rates.

27. Which ReadyRoam plan be activated automatically when I travel to any of the 157 countries?

The most affordable ReadyRoam plan will be automatically activated for your destination.

28. I am travelling to Malaysia only, what plan will I be provided with AutoReadyRoam?

AutoReadyRoam will automatically provide you with ReadyRoam Neighbours 1GB plan at \$5.

If you are a frequent traveler to Malaysia, you can also subscribe to our DataRoam Malaysia Monthly 6GB plan at \$16 per month (3-month contract applies).

29. What happens if I am subscribed to AutoReadyRoam and I subscribe for a ReadyRoam Asia 6GB plan manually before my travel?

If you have subscribed to any ReadyRoam plan manually, additional ReadyRoam plans for the same coverage will not be activated via AutoReadyRoam.

For example, you have already subscribed to AutoReadyRoam and you manually activate a ReadyRoam Asia 6GB plan via My Singtel app before you leave Singapore. When you use data roaming in any of the 18 destinations, you will not be auto-activated with another ReadyRoam plan via AutoReadyRoam. In your

bill, you will only be subscribed to one ReadyRoam Asia 6GB plan at prevailing rates. If you enter a destination that is not covered under the ReadyRoam Asia 6GB plan, then the most affordable ReadyRoam plan covering the destination will be automatically activated for you.

30. I am travelling to more than one country in 30 days, will I be charged for two plans?

AutoReadyRoam will automatically activate the most affordable multi-destination ReadyRoam plan for you when data usage is detected on a preferred operator network in any of the 157 destinations covered.

For example:

- a. If you travel to Australia (first country), ReadyRoam Asia 6GB will be automatically activated. If you travel to Indonesia (second country) within the next 30 days, no additional ReadyRoam plans will be auto-activated as both countries are covered under the ReadyRoam Asia 6GB plan.
- b. If you travel to USA (first country), ReadyRoam Worldwide 6GB will be automatically activated. If you travel to Indonesia (second country) within the next 30 days, no additional ReadyRoam plans will be auto-activated as both countries are covered under the ReadyRoam Worldwide 6GB plan.
- c. If you travel to Australia (first country), ReadyRoam Asia 6GB will be automatically activated. If you travel to USA (second country), ReadyRoam Worldwide 6GB will be automatically activated because ReadyRoam Asia 6GB does not cover USA. In your bill, you will be charged for both ReadyRoam plans respectively.

Your 30-day coverage for each ReadyRoam plan will commence from the day the plan is activated. For example: You travel to Australia on 5 Nov, followed by USA on 20 Nov. Australia activation for ReadyRoam Asia 6GB plan will be from 05 Nov to 04 Dec, and USA activation for ReadyRoam Worldwide 6GB plan will be from 20 Nov to 19 Dec.

31. What happens when my bundled data is used up?

Should this happen within your 30-day ReadyRoam plan validity period, you will be automatically provided with additional data in the same blocks of data allowance and at the same prevailing rates. To illustrate:

Plan	Price	Data allowance	Usage beyond data allowance within 30-day validity
ReadyRoam Neighbours 1GB (Indonesia, Malaysia and Thailand)	\$5	1GB	Blocks of 1GB at \$5
ReadyRoam Neighbours 6GB	\$12	6GB	Unlimited Data until original plan validity at \$12
ReadyRoam Asia 6GB	\$18	6GB	Unlimited Data until original plan validity at \$18
ReadyRoam Worldwide 6GB	\$40	6GB	Unlimited Data until original plan validity at \$40
ReadyRoam Others 1GB	\$60	1GB	Blocks of 1GB at \$60

32. What happens if I am subscribed to AutoReadyRoam and I travel to a destination that is not covered by any of the ReadyRoam plans?

As there is no existing data roaming plan in the destination, you will be subject to data roaming charges at Pay-Per-Use rates from \$15/MB. If you wish to stop using roaming data, simply go to My Singtel app > “Settings” to disable your dataroam network settings.

33. I am currently subscribed to the Auto-subscribe to DataRoam Unlimited Daily, can I also subscribe to the AutoReadyRoam?

If you are currently auto-subscribed to DataRoam Unlimited Daily, you will need to unsubscribe the auto-subscription from My Singtel app > Roaming Settings. You will be able to subscribe to AutoReadyRoam thereafter.

34. What is the difference between AutoReadyRoam and Auto-subscribe to DataRoam Unlimited Daily?

AutoReadyRoam automatically activates the most affordable tier of multi-destination ReadyRoam plans that include the 1GB Neighbours 3 destinations plans, 6GB Asia 18 destinations plan, 6GB Worldwide 81 destinations plan and 1GB Others destinations plan when you use data roaming in any of the ReadyRoam destinations on our preferred operator networks.

Auto-Subscribe DataRoam Unlimited Daily automatically activates a DataRoam Unlimited Daily plan at \$19/ \$25/ \$29 per day per destination when data usage is detected on our preferred networks in the same 157 destinations.

35. I am a MobileShare customer and have subscribed to AutoReadyRoam on my main line. Will my supplementary lines be able to enjoy this feature as well?

If you have subscribed to AutoReadyRoam on your main line, your MobileShare lines may not be subscribed to AutoReadyRoam. If your MobileShare lines would like to enjoy the AutoReadyRoam service, they will need to subscribe to it via My Singtel app.

Data from your ReadyRoam plans are not shareable with your MobileShare lines. If your MobileShare line would like to roam, consider the following options:

- a) Purchasing a roaming plan (i.e. [ReadyRoam](#), [UnlimitedRoam](#), [SMSVoiceRoam](#)) under your MobileShare line
- b) Purchasing ReadyRoam Monthly Shareable under your main line to share 18GB of monthly data with your MobileShare lines (eligible for Worldwide destinations), even when your main line is not travelling.

2. Online via [My Account](#)
3. Call 1688 (S\$10.90 activation fee applies)

4. Can I subscribe to DataRoam Daily Unlimited Plans in advance?

Yes, you can subscribe to the plans up to 30 days in advance.

5. Why am I charged for data roaming usage even when I'm in Singapore?

Due to our close proximity to our neighboring countries, you may occasionally receive a signal from an overseas operator even though you are in Singapore. If you encounter such a problem or to prevent accidentally roaming to a foreign network, please manually select 'Singtel' on your mobile handset/device.

6. Why am I being charged for data roaming even though I have signed up for DataRoam Unlimited Daily Plans?

DataRoam Unlimited Daily Plans are only applicable if you log on to the preferred networks. Please ensure you are logged on to the correct partner network when roaming overseas. Please activate My Singtel app and select "Roaming" or refer to our Roaming User Guide for a list of our preferred networks.

7. What is the supported network and handset display for my DataRoam Unlimited Daily Plans?

You can view the partner networks online [here](#) or via My Singtel app > "Roaming".

8. Will I receive any expiry and usage alerts for my DataRoam Unlimited Daily Plans?

Yes, you will receive alerts 3 hours before your plan expires and upon expiry.

Note: Alerts are sent out based on Eastern Standard Time for destinations with multiple time zones.

9. Are the alerts free?

There is no roaming charge when you receive the SMS alert. However, there will be data charges if you choose to view email alerts via mobile.

10. How can I view my data roaming usage?

You can view it via My Singtel app > "View Roaming".

Please note that the prevailing roaming data charges apply if you are checking overseas.

11. What is Daily Fair Usage Policy?

In order to provide customers with fast and reliable mobile internet service, all DataRoam Unlimited Daily Plans are subject to daily Fair Usage Policy. Please refer to [these FAQs](#) for details.

Back to [top](#).

FAQs for Fair Usage Policy

1. What is Singtel's Fair Usage Policy?

Singtel's Fair Usage Policy is applicable to DataRoam Unlimited Daily Plans (1 day validity), Unlimited Data plan (5 or 7 day validity) and UnlimitedRoam 14 Days plans. The Fair Usage Policy reduces the speeds of a minority of users who are responsible for generating large volumes of traffic on our roaming partner's networks. If customers exceed fair usage, Singtel may impose a speed limit for the remainder of the plan's validity. They will continue to have access to standard-definition navigation, messaging and browsing.

2. What is included in my UnlimitedRoam 14 Days Plan?

For a flat rate, you will enjoy an unlimited quantity of data for 14 days. The fair usage limit for UnlimitedRoam 14 Days is 15GB.

3. What is included in my Data Roam Unlimited Daily Plan?

For a daily flat rate, you will enjoy unlimited data for the day. The daily fair usage limit for dataroom unlimited daily is subject to change without prior notification depending on network capacity and traffic management.

4. What is included in my Unlimited Data Plan?

For a daily flat rate, you will enjoy unlimited data for 5 or 7 days from the activation date depending on the destination. Each day, you will receive 1GB of full-speed data, after which you can continue to enjoy unlimited data at a reduced speed, subject to our Fair Usage Policy.

5. Is the Fair Usage Policy being communicated on the website?

Please find the Fair Usage Policy under the Terms & Conditions for DataRoam Unlimited Daily and UnlimitedRoam 14 Days. [Here](#).

6. Will I still be able to use data roaming after I have exceeded the Fair Usage Limit?

Yes you may continue using roaming data for the rest of your subscription period. However, you may experience slower speeds for heavy internet activities like streaming and downloads.

7. Are there any alternatives to increase the speed limit after I have exceeded the Fair Usage Limit?

No, there are no alternatives to increase the speed limit after you have exceeded the Fair Usage Limit. The Fair Usage Policy will be lifted upon plan expiry, and you can continue to enjoy normal surfing speeds.

The mentioned plans are generally meant for normal surfing, emails, browsing and search activities. Customers who frequently use file-sharing software or peer-to-peer/torrent apps on their phones/tablets to download large files such as music, videos and movies consistently may wish to explore local wifi connectivity as an alternative for such activities.

8. Why am I experiencing slow data roaming speeds?

Data roaming speed may vary depending on:

- Overseas network coverage
- Overseas network capacity
- Fair Usage Policy

FAQs for Inflight DataRoam (24-hour Unlimited) Plan

1. What are the pre-requisites for subscribing to Inflight DataRoam (24-hour Unlimited) Plan?

You must have:

- a) Either AutoRoam or Pay-As-U-Roam service; and
- b) GPRS service
- c) You must be a Singtel postpaid mobile customer.

2. How do I sign up for Inflight DataRoam (24-hour Unlimited) Plan?

You can subscribe to the plan via the following channels

- a) My Singtel app > Roaming
- b) Call 1688 (S\$10.90 activation fee applies)

We recommend you to sign up before your flight, as data is needed to access My Singtel app.

To troubleshoot your connectivity, reset your network by turning on/off airplane mode or switching off/on your mobile phone.

3. Which airlines offer Inflight DataRoam (24-hour Unlimited) Plan?

This plan is only available on [selected airlines and aircraft with Aeromobile network, including Singapore Airlines and more](#). The cabin crew on the flight will make an announcement if an inflight service is available. Please check with cabin crew on Aeromobile connectivity.

4. What is the speed of the Inflight DataRoam (24-hour Unlimited) Plan?

Inflight DataRoam (24-hour Unlimited) Plan supports messaging optimally. If you'll like to share photos or surf on content & image intensive sites, your experience may not be optimal.

The network speed of inflight connectivity is dependent on the network operator and the regulations governing air travel. The inflight network operators are constantly reviewing and innovating their services to provide a better surfing experience for the customers.

5. I will be travelling from United Kingdom to Singapore with different time zones. How will I be charged for the Inflight DataRoam (24-hour Unlimited)?

Inflight DataRoam (24-hour Unlimited) plan will end the day after activation on 23:59hrs Singapore time. If the total travelling time for your flight from United Kingdom to Singapore is less than 24 hours, you will only need to subscribe to one Inflight DataRoam (24-hour Unlimited) Plan. Please check the status of your subscribed plan via My Singtel app > Roaming.

6. I will be travelling from Singapore to Japan and will be stopping over in Hong Kong for a few hours. Can I use the Inflight DataRoam (24-hour Unlimited) plan for both flights?

Inflight DataRoam (24-hour Unlimited) plan can cover all your flights as long as they are within the validity period of your plan and the aircrafts support in-flight data roaming by Aeromobile.

7. I have Auto-Subscribed to DataRoam Unlimited Daily, will the Inflight DataRoam (24-hour Unlimited) Plan be automatically activated when I start to use data in the aircraft during a cruising flight?

You will need to subscribe to the Inflight DataRoam (24-hour Unlimited) Plan in order to enjoy unlimited data while flying. Auto-subscribe to DataRoam Unlimited Daily plan will only activate DataRoam Unlimited Daily plans when you are at one of the covered destinations.

8. **I have Auto-Subscribed to DataRoam Unlimited Daily. Why am I being activated with a DataRoam Unlimited Daily Malaysia Plan when I am in the aircraft?**

During take-off or landing, a DataRoam Unlimited Daily Plan may be automatically activated due to low elevation of the aircraft, and strong signals from ground levels.

9. **I have received the SMS check from SIA and would like to continue using data. Will there be any roaming charges if I reply to the SMS?**

Yes, roaming SMS charges will apply based on the prevailing rates.

10. **Are MobileShare lines eligible for In-flight Unlimited Data Plan?**

Yes, MobileShare supplementary lines can sign up for the plan. However, the plan cannot be shared between the main and supplementary lines.
