Setup guide for

In this visual guide, we'll show you how to set your CAST account up on different platforms.

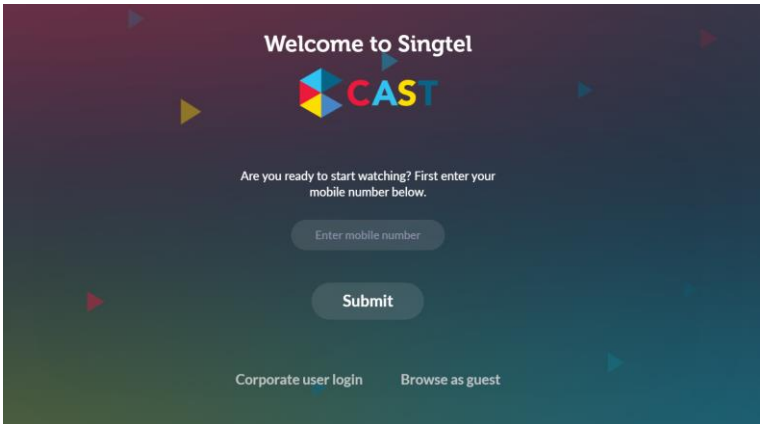

- Section 1: How to set up CAST account on web browser.
- Section 2: How to set up CAST account on mobile app.
- Section 3: How to set up CAST on Smart TV (needs an active CAST account).

Singapore Telecommunications Limited
Company registration number: 199201624D
1 Serangoon North Ave 5, Singtel Serangoon Hub, Singapore 554915
Tel: +65 6838 3388 Fax: +65 6732 8428
www.singtel.com

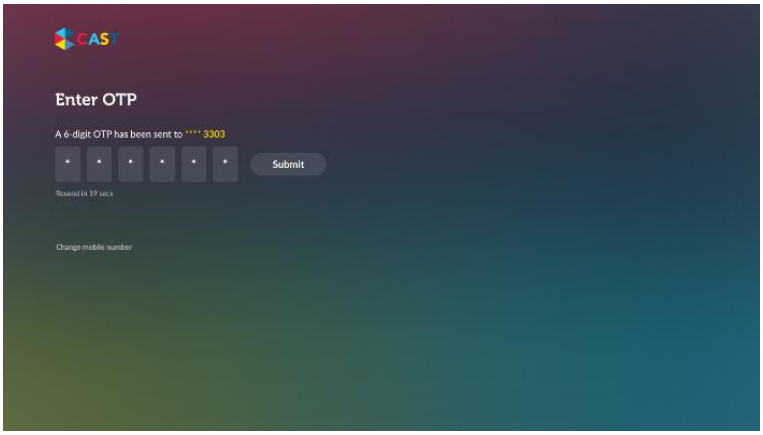

Section 1: How to set up CAST account on web browser.

1. Go to: https://watchcast.singtel.com/.

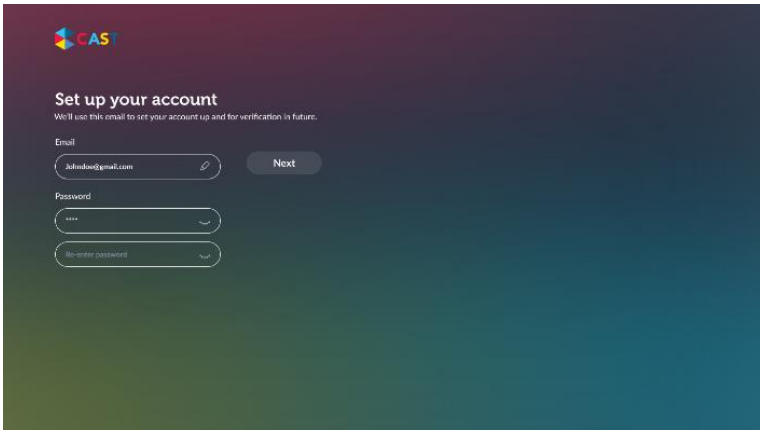

2. Enter the mobile number registered to your Singtel TV account.

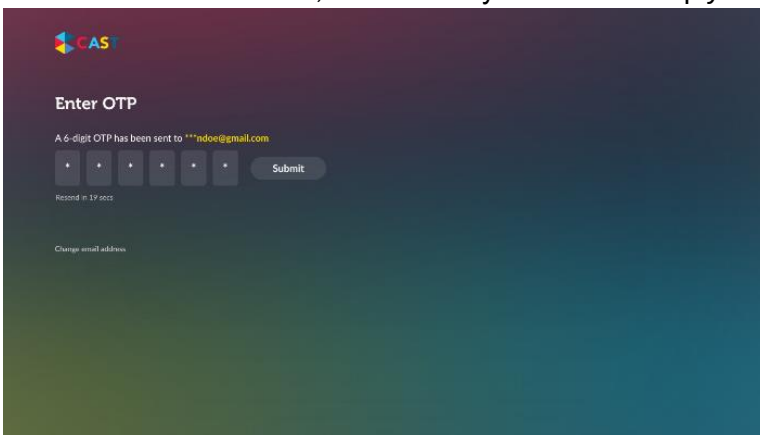

3. We'll send a One-Time-Password (OTP) to your mobile number for security verification. Enter the OTP to continue.

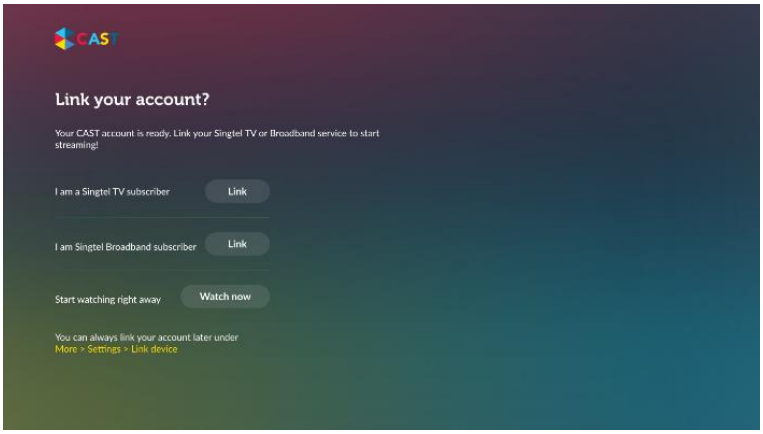

4. Set up your CAST account by entering your preferred email and password.

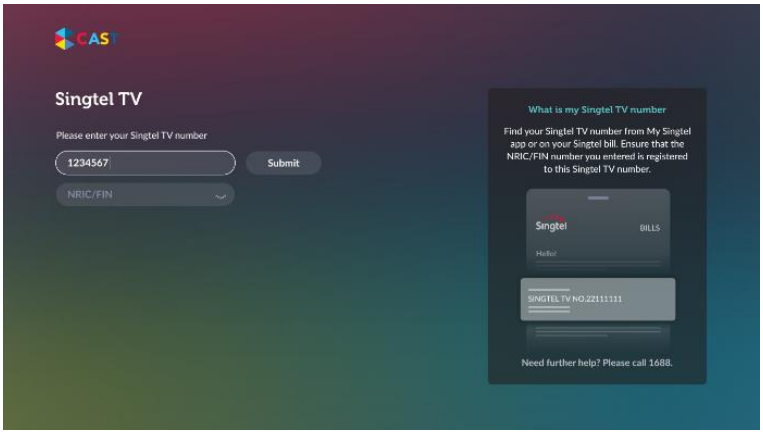

5. We'll send another OTP, this time to your email. Simply verify with the OTP to continue.

6. Now, link your existing Singtel TV or Broadband service to start streaming!

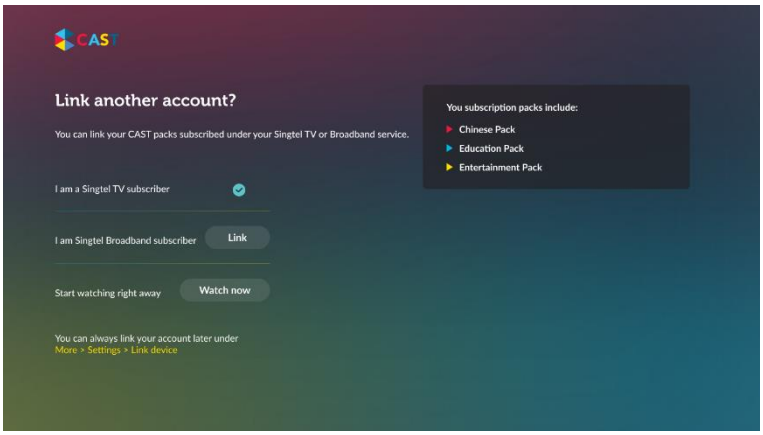

7. To link your Singtel TV service, just enter your Singtel TV number and NRIC/FIN.

Section 3: How to set up CAST on Smart TV (needs an active CAST account).

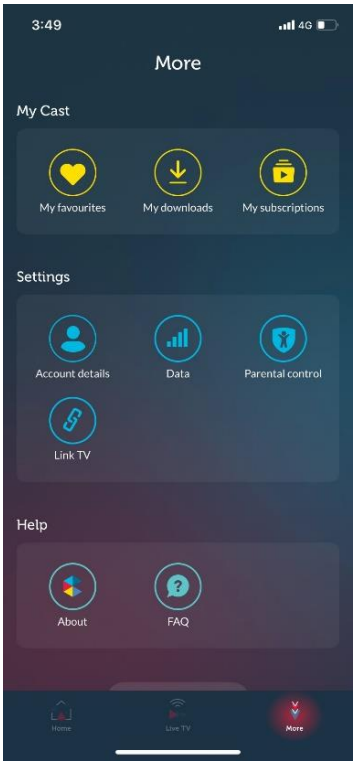

Before setting up CAST on your Smart TV, make sure you've already created your CAST account. Refer to the sections above to see how to do so on web browser or mobile app.

1. Download Singtel CAST app on your Smart TV, then launch the app.

2. **Option 1:** Login with your mobile number on Smart TV.
    a. Simply key in the mobile number registered to your CAST account.
    b. We'll send a One-Time-Password (OTP) to your mobile number for security verification. Enter the OTP to continue

3. **Option 2:** Login with Smart TV Code using CAST app.
    a. Launch Singtel CAST app on your mobile device.
    b. In the CAST app, go to: MORE > SETTINGS > LINK TV.
    c. Finally, enter the 6-digit code displayed on your Smart TV.
