

Effective Date: 1 December 2020

Name of Service: SingTel Domestic Data services¹

For details, refer to www.singtel.com

Description: Implementation of Charges for Loss of Network Terminating Unit (NTU)

One-Time Charges:

Service	Bandwidth/Scheme	One-Time Charge (per NTU)
MetroEthernet	All	\$1,200
Meg@POP EthernetLink	All	\$1,200
DigiNet	All	\$1,200
ISDN	All	\$1,200
Gigawave	1G to 10G	\$10,000
	100G	\$85,000
SIP Trunking	All	\$1,200
Videosonic	Point-to-Point	\$2,000
BizVoice	eVolve/B-Access Fibre	\$300 (8 ports IAD) \$500 (16 ports IAD)
	EthernetLink/DigiLink	\$1,200

The one-time charges will only apply in the event that the NTU cannot be recovered or needs to be replaced. For avoidance of doubt, the one-time charges will not apply if the NTU is damaged as a result of wear and tear.
