**Terms and Conditions:**

1. The contract term of the Customised Scheme is two (2) years.

2. The contract term of the service(s) subscribed under the Customised Scheme is two (2) years.
3. The customer shall subscribe to the minimum quantity of circuits specified under the Customised Scheme.
4. **(With effect from 14 September 2022)** The customer may activate up to twelve (12) ports for each circuit subscribed under Table A provided that the total bandwidth does not exceed the aggregated bandwidth of 4000Mbps and 2000Mbps respectively. Any subsequent bandwidth reconfiguration of each port(s) will be charged a one-time fee of \$200.
5. The services offered under the Customised Scheme are subject to resource availability.
6. Circuits subscribed under the Customised Scheme will continue at the customised prices after the expiry of the circuit contract term.
7. The customer shall not resell the service(s) subscribed under the Customised Scheme.
8. No other discounts including, but not limited to, term and volume discounts, shall be applicable to the services subscribed under the Customised Scheme.
9. All other standard prices, terms and conditions of the Singtel MetroEthernet service shall remain applicable.

**Suspension and Termination Provisions:**

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for a Premature Termination Charge (**PTC**) of 100% of the MRC for the remaining contract term.

**Eligibility:**

The Customised Scheme will be offered to all similarly situated customers who accept the terms and conditions of the Customised Scheme in its entirety.
