The customised tariffs will be applicable to all new, renewed, upgraded, downgraded and/or migrated circuits subscribed under the Customised Scheme.

Key Terms and Conditions:

1. The contract term of the Customised Scheme is two (2) years.
2. **(With effect from 31 July 2024)** The contract term of the services subscribed under the Customised Scheme is as stated above in the pricing table.
3. **(With effect from 31 July 2024)** The customer shall subscribe to the minimum quantity specified under the Customised Scheme.
4. The services offered under the Customised Scheme are subject to resource availability.
5. **(With effect from 21 September 2022)** The customer shall not resell the services subscribed under the Customised Scheme “as is” or as a standalone Meg@POP product.
6. Circuits subscribed under the Customised Scheme will continue at the customised prices after the expiry of the circuit contract term.
7. **(With effect from 21 September 2022)** Circuits subscribed by the customer and its related companies may be combined to meet the minimum quantity of circuits required under the Customised Scheme.

As of 31 July 2024

8. **(With effect from 21 September 2022)** In the event that the customer and its related companies do not meet the minimum circuit commitment, all services subscribed under the Customised Scheme shall revert to the prevailing list price.
9. **(With effect from 21 September 2022)** The bundled router offered under the Customised Scheme is subject to stock availability. Singtel reserves the right to replace the router with another model of similar or higher value. The Customised Scheme includes the circuit and router only. It excludes other charges such as installation and maintenance charges for the router.
10. No other discounts including, but not limited to, term and volume discounts, shall be applicable to the services subscribed under the Customised Scheme.
11. All other standard prices, terms and conditions of the Singtel Meg@POP and Meg@POP Extranet Access service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for a Premature Termination Charge (PTC) of 100% of the remaining contract term.

(With effect from 21 September 2022) For circuits subscribed under the Customised Scheme, the customer and its related companies shall be eligible for the following waivers for up to a combined total of 13 Meg@POP circuits per year of the Customised Scheme:

- a. relocation OTC waiver; and/or
- b. PTC waiver for termination;

subject to the following conditions:

- a. termination or relocation arises from the completion of the project; and
- b. the circuits to be terminated or relocated have fulfilled at least 50% of their contract term.

For details, refer to www.singtel.com

Eligibility:

(With effect from 21 September 2022) The Customised Scheme is available to all similarly situated customers and their related companies who satisfy the following criteria:

- a. **(With effect from 21 September 2022)** currently has a minimum of 350 Meg@POP circuits; and
- b. accepts the terms and conditions of the Customised Scheme in its entirety.
