Standard Dark Fibre / Dark Fibre with Path Diversity	5	2	USD \$6,000	Standard: Waived

The customised tariffs will be applicable to all new and migrated Dark Fibre services subscribed under the Customised Scheme.

Key Terms and Conditions:

1. The contract term for the Customised Scheme is one (1) year, and for the avoidance of doubt, will not be perpetually available.
2. The contract term for the services subscribed under the Customised Scheme is as per the pricing table.
3. Services subscribed under the Customised Scheme will continue at the customised prices after the expiry of the service contract term.
4. The customer shall subscribe up to two (2) pairs of Dark Fibre services under the Customised Scheme. For the avoidance of doubt, the customer may take up the Customised Scheme for a maximum of one (1) time only.
5. The customer shall not resell the service 'as is' or as a full or sub-bandwidth standalone Dark Fibre product.
6. One end of the Dark Fibre services subscribed under the Customised Scheme must be connected to Seletar Earth Station.
7. The customer shall be charged USD \$800 per Dark Fibre pair as part of the service readiness charge.

As of 28 August 2024

8. The service(s) subscribed under the Customised Scheme are subject to resource availability.
9. No other discounts including, but not limited to, term and volume discounts, shall be applicable to the services subscribed under the Customised Scheme.
10. All other standard prices, terms and conditions of the commercial Singtel Dark Fibre service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for the following premature termination charge (PTC):

Date of termination falls within the given year of the contract term of the service	% of OTC/ MRC to be paid by the customer for the remaining contract term of the service (per pair)
Prior to the commencement of services ¹	100% of circuit readiness charge
1 st to 3 rd year	100% of MRC for the balance of the 1 st to 3 rd year (calculated from termination date) + 75% of MRC for 4 th year + 50% of MRC for 5 th year
4 th year	75% of MRC for the balance of the 4 th year (calculated from termination date) + 50% of MRC for 5 th year
5 th year	50% of MRC for the balance of 5 th year (calculated from termination date)

The customer may migrate existing services already installed at Seletar Earth Station to the Dark Fibre services offered under the Customised Scheme without incurring PTC, provided that:

- a. The total contract value associated with the migrated Dark Fibre service is equal to or greater than the remaining contract value of the existing service; and
- b. The existing service has fulfilled at least one (1) year of its contract term.

Refer to www.singtel.com

¹ For the avoidance of doubt, this is upon order placement of the circuit.

As of 28 August 2024
