The customised tariffs will be applicable to all new and renewed Gigawave services subscribed under the Customised Scheme.

Key Terms and Conditions:

1. The contract term of the Customised Scheme is three (3) years.
2. The contract term of the service(s) subscribed under the Customised Scheme is as per the pricing table above.
3. The customer shall subscribe to the minimum quantity of service(s) under the Customised Scheme. For the avoidance of doubt, services subscribed by and spending by the customer and its related companies can be combined to meet the minimum quantity and minimum revenue spend required under the Customised Scheme.
4. All Gigawave Data Connect service(s) under the Customised Scheme must have the same A- and B- ends (origin-destination).
5. The service(s) offered under the Customised Scheme are subject to resource availability.
6. The customer shall not resell the service(s) subscribed under the Customised Scheme “as is” or as a standalone Gigawave service but may use the service(s) as part of its own network to offer its own service(s).

7. Service(s) subscribed under the Customised Scheme will continue at customised prices after the expiry of the service contract term.
8. No other discounts including, but not limited to, term and volume discounts, are applicable to the service(s) subscribed under the Customised Scheme.
9. All other standard prices, terms and conditions of the Singtel Gigawave service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for Premature Termination Charge (**PTC**) of 100% of the remaining contract term.
