Key Terms and Conditions

1. The contract term for the Customised Scheme is three (3) years.
2. **(With effect from 18 October 2019)** The contract term for the services subscribed under the Customised Scheme is two (2) years unless otherwise specified in the pricing tables.
3. The service(s) offered under the Customised Scheme are subject to resource availability.
4. The customer shall not resell the services subscribed under the Customised Scheme.
5. **(With effect from 18 October 2019)** Services subscribed under the Customised Scheme will continue at the customised prices after the expiry of the service contract term.
6. No other discounts including, but not limited to, term discounts, shall apply to the services subscribed under the Customised Scheme.

7. **(With effect from 8 June 2020)** All other standard prices, terms and conditions of the Singtel Gigawave, MetroEthernet and commercial Dark Fibre services shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates the service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for a premature termination charge (PTC) of 100% of the remaining contract term.

(With effect from 30 April 2025) The customer may, upon at least 30 days' prior written notice, terminate one (1) existing Enhanced Gigawave service (subscribed under this Customised Scheme or other customised schemes) with a waiver of PTC and replace it with a Standard Dark Fibre service under this Customised Scheme, provided that:

- a. The Enhanced Gigawave service being terminated has fulfilled at least 24 months of its initial contract term; and
- b. The new contract value associated with the replacement service is higher than the remaining contract value of the service being terminated.
