One-time Charges (OTC) and relocation charges:

- a. 1-year contract term – 50% off standard charges
- b. 2-year contract term and above – 100% off standard charges and 50% off express charges

The waiver of the relocation charge is subject to the relocation request being submitted together with a contract renewal or upgrade under the Promotion.

Customers who wish to upgrade their existing bandwidth during the circuit contract term and require a change of router to another router provided by Singtel shall be charged an OTC of \$350 per unit and shall be required to re-contract for a term of at least one (1) year.

Key Terms and Conditions:

1. The contract term of the services subscribed under the Promotion is as per the pricing tables.
2. The service(s) initial RFS date must be within three (3) months from the promotion end date.
3. Contracts must be signed within one (1) month from the end of the promotion period if the customer obtained a quotation during the promotion period.
4. The Promotion is applicable to new, migrated, upgraded and/or downgraded and renewed circuits. For the avoidance of doubt, all request for cross-service migration, or renewal of contract, including but not limited to upgrade and downgrade are subject to the minimum contract term under the Promotion and the new contract value must be higher than existing remaining contract value.
5. The services offered under this Promotion are subject to resource availability.
6. The router(s) bundled under the Promotion is subject to stock availability. Singtel reserves the right to replace the router with another model of similar or higher value.
7. The promotional tariffs include the circuit and router only. It excludes other charges such as router installation and maintenance charges.
8. The service(s) offered under this Promotion will revert to the prevailing list price upon the expiry of the contract term.
9. Prevailing relocation charges shall apply except where the relocation request is submitted in the same order as the renewed, upgraded and/or downgraded circuit in which case, the relocation charge will be waived. For avoidance of doubt, relocation charges will apply if the circuit is relocated within the contract term.
10. The Promotion does not apply to temporary schemes, installation surcharge, remote locations, additional pipe/fibre connection charges and relocation requests.
11. The customer shall not resell the service(s) offered under the Promotion “as is” or as standalone services but may resell these services as part of its own network services.
12. No other promotions or discounts including, but not limited to, term, volume and discretionary discounts shall apply.
13. Singtel reserves the right to end the Promotion before 23 August 2025.
14. All other standard prices, terms and conditions of the Singtel MetroEthernet services shall remain applicable.
