The customised tariffs will be applicable to all new, upgraded and renewed Meg@POP circuits subscribed under the Customised Scheme.

Key Terms and Conditions:

1. **(With effect from 24 July 2024)** The contract term of the Customised Scheme is three (3) years.
2. The contract term of the services subscribed under the Customised Scheme is a minimum of two (2) years.
3. The customer shall subscribe to the minimum quantity of circuits as specified in the pricing table under the Customised Scheme.
4. Circuits subscribed by the customer and its related companies can be combined to meet the minimum quantity of circuits required under the Customised Scheme.
5. The services offered under the Customised Scheme are subject to resource availability.
6. The customer shall not resell the services subscribed under the Customised Scheme.
7. Services subscribed under the Customised Scheme will continue at the customised prices after the expiry of the service contract term.
8. The bundled router offered under the Customised Scheme is subject to stock availability. Singtel reserves the right to replace the router with another module of similar or higher value. The Customised Scheme includes the circuit and router only. It excludes other charges such as installation and maintenance charges for the router.
9. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.
10. All other standard prices, terms and conditions of the Singtel Meg@POP service shall remain applicable.

Suspension and Termination Provisions:

If the customer terminates any service(s) subscribed under the Customised Scheme during the contract term of the service(s), the customer shall be liable for a premature termination charge (PTC) of 100% of the remaining contract term.

In the event of early renewal of the service, the customer is eligible for a waiver of any applicable PTC for the existing service when the customer renews the service under the Customised Scheme.

Eligibility:

The Customised Scheme is available to all similarly situated customers and their related companies who accept the terms and conditions of the Customised Scheme in its entirety.
