

<b>Effective Date:</b>	3 March 2022
<b>Name of Service:</b>	Meg@POP, MetroEthernet and Gigawave Service. <i>For additional details, refer to <a href="http://www.singtel.com">www.singtel.com</a></i>
<b>Description:</b>	Customised Meg@POP, MetroEthernet and Gigawave Service Scheme ( <b>Customised Scheme</b> )

**Prices (including discounts):**

The customised tariffs of the Customised Scheme are in Annex 2.

The customised tariffs will be applicable to new, renewed and upgraded circuits subscribed under the Customised Scheme.

**Key Terms and Conditions:**

1. The contract term of the Customised Scheme is three (3) years with an option to extend for three (3) years.
2. **(With effect from 17 March 2025)** The contract term of the services subscribed under the Customised Scheme is as per the pricing tables in Annex 2, with option(s) to extend a minimum of one (1) month for each extension. For the avoidance of doubt, there is no cap on the number of extensions that can be exercised for the service contract term, as long as the extension(s) are exercised within the contract term of the customer's agreement.
3. The services offered under the Customised Scheme are subject to resource availability.
4. Services subscribed under the Customised Scheme will continue at customised prices after the expiry of the service contract term.
5. The customer shall not resell the services subscribed under the Customised Scheme.
6. For Meg@POP IPVPN Cloud Connect (Azure) services in Table 13, ordering will not be allowed for one (1) single Cloud Connect circuit to Azure; a minimum of two (2) circuits per peering is required to meet the Service Level Agreement (**SLA**) requirements for Microsoft Azure.
7. In the event that Path Diversity service(s) are unavailable, Exchange Diversity service(s) will be provided at the same customised prices as the Path Diversity service(s) specified under the pricing tables.
8. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.

9. All other standard prices, terms and conditions of the Singtel MetroEthernet, Meg@POP and Gigawave services shall remain applicable.

**Suspension and Termination Provisions:**

Premature termination charge (**PTC**) will be waived for services subscribed under the Customised Scheme.

*For details, refer to [www.singtel.com](http://www.singtel.com)*

**Eligibility:**

The Customised Scheme is available to any similar situated customer who satisfies the following criteria:

- a) currently has a minimum 150 Meg@POP IPVPN EthernetLink, MetroEthernet and Gigawave circuits, of which at least 35% are Path Diversity circuits;
- b) has a minimum total spend of \$4 million on Singtel services in the last 12 months prior to the start of the customer's agreement; and
- c) accepts the terms and conditions of the Customised Scheme in its entirety.
