Service Description	Contract Term	MRC (\$ per line)	OTC (\$ per line)
Business Digital Line	Minimum of 3 months	\$6.50	Normal: Waived

The customer shall be eligible for a waiver of all Meg@POP EVC charges under the Customised Scheme.

For all services under the Customised Scheme, standard OTC is waived and express OTC is 50% off the prevailing list price, unless otherwise specified in the pricing tables.

A discount of 20% off the prevailing list price (including MRC and OTC), shall be offered to the following services under this Customised Scheme:

- a. Bandwidth-on-Demand;
- b. Disaster Recovery;
- c. Standby;
- d. Temporary (except for services mentioned above);
- e. Class of Service (except for services mentioned above);
- f. Relocation OTC for MetroEthernet, Gigawave and Meg@POP services (except Meg@POP E-Access and Singtel E-Access)

Revenue Commitment

The customer is required to maintain a minimum annual spend of \$29 million on MetroEthernet, Gigawave, Meg@POP, Ethernet Line, B-Access, E-Access, Dark Fibre, ISDN, SIP Trunking and BizVoice services for the duration of the contract term of the Customised Scheme.

In the event the customer does not meet the revenue commitment in any given year, the customer will pay Singtel the shortfall.

Key Terms and Conditions:

1. The contract term of the Customised Scheme is five (5) years.
2. The minimum contract term for services subscribed under the Customised Scheme is one (1) year unless otherwise stated.
3. Circuits subscribed under the Customised Scheme will continue at the customised prices after expiry of the circuit contract term.
4. The customer can use the services subscribed under the Customised Scheme for providing internet access to its own end users, and to another Services-Based Operator (SBO) / Facilities-Based Operator (FBO) for them to resell to their own customers.
5. The services offered under the Customised Scheme are subject to resource availability.
6. **(With effect from 30 January 2023)** In the event that the customer requires a relocation of any existing Dark Fibre service (subscribed under this Customised Scheme or other customised schemes) from the existing location to another location within the mainland of Singapore, the customer shall pay a relocation fee that is equivalent to the Dark Fibre pair installation OTC offered under the Customised Scheme.
7. **(With effect from 23 May 2025)** For Ethernet Line and Meg@POP EVPN EthernetLink services subscribed under the pricing tables r), s), z) and aa), one end of the service may terminate at a Singtel Exchange provided that the service is used for the purposes of national security.
8. No other discounts including, but not limited to, term and volume discounts, are applicable to the services subscribed under the Customised Scheme.
