1. The above prices are only applicable to new circuits or circuits renewed under the Customised Scheme.
2. The prevailing one-time charge shall apply except where the new circuit subscribed is migrated from any other service provider(s) in which case the one-time charge will be waived. SingTel will require that the customer produce evidence that the circuit is migrating from another service provider e.g. the termination notice from customer to that service provider.
3. The contract term for the Customised Scheme is three (3) years.
4. The contract term for each circuit subscribed under the Customised Scheme is minimum one (1) year.

Terms and Conditions:

1. There shall be no auto-renewal for the Customised Scheme.
2. The customer shall not resell the services subscribed under the Customised Scheme “as is” or as a standalone DigiNet or MetroEthernet service but may resell these services as part of its own network services.
3. The services subscribed under the Customised Scheme are solely for the purpose of connecting to an international gateway for the provision of international services, with one end connecting to the customer’s POP.
4. No other discounts, including but not limited to any term or volume discount, shall apply to the Customised Scheme.
5. No other discounts, including but not limited to any term or discount, are applicable to the services subscribed under this Customised Scheme.
6. All other terms and conditions of the SingTel DigiNet and MetroEthernet services shall apply.

Suspension and Termination Provisions:

In the event the customer terminates any service subscribed under the Customised Scheme during the contract term, the customer shall be liable for a premature termination charge of 100% of the remaining contract value in the first year of the contract and 50% of the remaining contact value in subsequent years.

Eligibility:

The Customised Scheme will be offered to any customer who satisfies the following criteria:

- is a duly licensed Facilities-Based Operator or Service-Based Operator;
- currently has or is willing to commit to a minimum annual spend of \$3M on Domestic Data services (specifically DigiNet, MetroEthernet, GigawaveLite, Backhaul and/or Meg@POP services); and
- accepts the terms and conditions of the Customised Scheme in its entirety.
