1. The standard and express one-time charge for the Meg@POP EthernetLink circuits is \$1,000 per circuit and \$2,000 per circuit respectively (with effect from 4 April 2011).
2. The EthernetLink service will also be provided with the multicast service.

### **Key Terms & Conditions**

1. The minimum contract term of the Customised Package is eighteen (18) months.

2. The minimum contract term of the Meg@POP IPVPN EthernetLink circuit subscribed under the Customised Package is one (1) year.
3. The customer must bring in at least an aggregate of 5Mbps of bandwidth from its end-users within the first year. Should the customer be unable to meet this criteria, SingTel reserves the right to terminate the Customised Package.
4. The customer's end-user must remain a member of the customer's community network for the duration of the contract term in order to enjoy the customised rates under the Customised Package.
5. All other standard terms and conditions of SingTel Meg@POP service and Meg@POP IPVPN EthernetLink service shall remain applicable.

**Suspension and Termination Provision:**

Should the customer or its end-users terminate the Customised Package during the contract term, the customer or its end-users will be liable for a premature termination charge (PTC) of 100% of the remaining contract value.

**Eligibility:**

The Customised Package will be available to all similarly situated customers who accept all the terms and conditions of the Customised Package in its entirety.
