

**Effective Date:** 26 November 2010

**Name of Service:** SingTel Wholesale B-Access service

**Description:** Service trial of Wholesale B-Access service scheme (**Service Trial**)

**Prices (including discounts):**

Network setup for Service Trial:

- 1 Gbps A-EVC with Internet class of service
- 1 Gbps QP-EP + Link
- Up to three 100 Mbps service for business end-users with Internet class of service

All monthly recurring charges (**MRC**) and one-time charges (**OTC**) applicable under the standard Wholesale B-Access service scheme (**Service**) will be waived under the Service Trial, provided the customer signs up for the Service upon successful completion of the Service Trial.

**Key Terms and Conditions**

1. The duration of the Service Trial will be 2 weeks.
2. Upon successful completion of the Service Trial, the customer will have to sign up for the standard Service within 3 months from the end of the Service Trial.
3. Should the customer decide not to sign up for the Service despite successful completion of the Service Trial, all applicable MRC and OTC will be charged to the customer.
4. If the customer is not satisfied with the Service, the customer may cease the Service at no additional charge. All equipment provided under the Service Trial will be recovered by SingTel. The customer is also required to provide SingTel with detailed feedback regarding the Service.
5. All promotions and discounts for the Service will not be applicable under the Service Trial.

**Eligibility:**

The Service Trial will be available to the first 5 customers on a first-come-first-served basis and who satisfy the following criteria:

- Facilities-Based Operators and Services-Based Operators licensed by the IDA to offer public Internet access services;
- Use the Service for the sole purpose of providing Internet services to business end-users; and
- Accepts the terms and conditions of the Service Trial in its entirety
