Trial of eBoD Service

- Waiver of applicable charges for up to 2 weeks for a maximum of 10 customers on first-come-first-served basis
- Customers to complete a feedback form and testimonial upon end of the trial

Key Terms & Conditions

1. The eBoD Service is a value-added service under Meg@POP EthernetLink service, and is only available to Meg@POP EthernetLink customers with existing circuits of bandwidths between 3Mbps and 90Mbps whose circuits are under contract.
2. Customers will be able to select a start and end date for the increased bandwidth, both of which must be before the contract expiry of the underlying Meg@POP circuit. In addition, the customer must activate the eBoD service within 1 month of the application of the eBoD service, and the maximum period for the eBoD service must not exceed 6 months.
3. All other standard terms and conditions of SingTel Meg@POP service, Meg@POP EthernetLink service and Meg@POP EthernetLink Bandwidth-on-Demand service shall remain applicable.

Suspension and Termination Provisions:

Should the customer terminate the eBoD Service, there will be no refund of the charges.

Eligibility:

Retail customers
