Monthly recurring charge – 10Mbps \$740

Installation charge – 10Mbps \$2,000

1. The contract term for the Customised Scheme and each service subscribed under the Customised Scheme is one (1) year.

Terms and Conditions:

1. The customer is required to commit to a minimum annual spend of \$35M per year on DigiNet, MetroEthernet and Meg@POP services.
2. For the avoidance of doubt, any expenditure on DigiNet, MetroEthernet and/or Meg@POP services (including value added services) subscribed outside of the Customised Scheme will be considered as part of the minimum revenue commitment.
3. In the event that the customer fails to meet the minimum revenue commitment, the customer shall pay SingTel the shortfall.
4. There shall be no auto-renewal for the Customised Scheme.
5. All other terms and conditions of the SingTel DigiNet, MetroEthernet and Meg@POP service shall apply.

Suspension and Termination Provisions:

1. In the event that the customer terminates a circuit subscribed under the Customised Scheme prior to the end of the contract term, the customer shall be liable for the prevailing premature termination charges.
2. The premature termination charge may be waived if the termination is due to demolition of the building the service(s) is housed in. The customer shall produce a letter from the building management evidencing the same in order to obtain a waiver of the premature termination charges. For the avoidance of doubt, in the event that the customer wishes to relocate the affected service(s) to a new location, the one-time installation charge will apply. Such relocated circuits need not be renewed on a new contract term.

Eligibility:

The Customised Scheme will be offered to any customer who satisfies the following criteria:

- is a duly licensed facilities-based operator;
 - uses the services subscribed under the Customised Scheme for connecting to its own mobile base station(s), wireless base station(s) and/or its operations centre;
- and

- accepts the terms and conditions of the Customised Scheme in its entirety.
