Analogue Leased Circuit one-time installation charge for 7-working days' leadtime:

2-Wire Private circuit – \$250

4-Wire Private circuit \$350

Hotline – \$250

1. The prevailing one-time charge applies for all services subscribed under the Customised Scheme unless otherwise stated.
2. The one-time charge for all the services subscribed under the Customised Scheme will be waived on the condition that the new circuit subscribed is migrated from any other service provider(s).
3. The contract term for the Customised Scheme is two (2) years.
4. The contract term for each circuit subscribed under the Customised Scheme is one (1) year.
5. The applicable price tier will be determined by the aggregate subscription of the customer and its affiliate.
6. The price tier will be reviewed on a quarterly basis. The price for the quarter will apply to all new and existing circuits.

Terms and Conditions:

1. No other discounts, except the term discount, will apply to the Customised Scheme.
2. The customer shall not resell the services subscribed under the Customised Scheme “as is” or as a standalone product but may resell the services as part of its own network to offer its own services.
3. The services subscribed under the Customised Scheme are solely for the purpose of connecting to an international gateway for the provision of international services, with one end connecting to the customer’s POP.
4. In the event that the prevailing monthly recurring charge(s) is lower than the customised monthly recurring charge(s), either SingTel or the customer may, by giving at least thirty (30) days notice of writing, initiate a price review. For the avoidance of doubt, any price review for a specific service shall not affect the prices of the other services offered under the Customised Scheme.
5. During the price review, all new orders including upgrade orders for the affected service shall be charged at either SingTel’s prevailing list prices or the customised prices, whichever is lower.
6. Once the price review has been completed, SingTel will submit a filing for the new prices for the IDA’s approval. The new prices shall apply only to new circuits, upgrades and renewal orders.
7. All other terms and conditions of the SingTel DigiNet, MetroEthernet, GigawaveLite and Analogue Local Leased Circuit services shall apply.

Suspension and Termination Provisions:

refer to www.singtel.com under “Business Customers”

Eligibility:

The Customised Scheme will be offered to any customer and one (1) affiliate who satisfy the following criteria:

- is a duly licensed services-based operator
- accepts the terms and conditions of the Customised Scheme in its entirety.
