For other DigiNet and MetroEthernet services not offered under the Customised Scheme, the standard tariffs, terms and conditions shall apply.

Terms and Conditions:

1. The minimum contract term for the Customised Scheme is three (3) years from the date of IDA's approval
2. The minimum contract term for each circuit subscribed under the Customised Scheme is one (1) year
3. The above tariffs are only applicable to new and renewal circuits. Renewal circuits must be renewed for a minimum one (1) year contract term to qualify
4. The services subscribed under the Customised Scheme are solely for the purpose of connecting to international gateway for international services, with one end connecting to the customer's POP.
5. Customer shall not resell the Customised Scheme "as is" or as a standalone DigiNet and/or MetroEthernet service, but may bundle the services offered under the Customised Scheme as part of its own network service
6. All other terms and conditions of the SingTel DigiNet and MetroEthernet services shall apply.

Suspension and Termination Provisions:

In the event that the customer terminates the service(s) subscribed under the Customised Scheme prior to the end of the circuit contract term, the customer shall be liable for a premature termination charge for:

- DigiNet: 100% of the remaining contract value in the first year of the package contract term and 50% of the remaining contact value in subsequent years
- MetroEthernet: 100% of the Monthly Recurring Charge for the remainder of circuit term

Eligibility:

The Customised Scheme will be offered to any customer who satisfies the following criteria:

- A duly licensed Facilities Based Operator or Services Based Operator in Singapore
- Currently have or are willing to commit to a minimum annual spend of no less than \$10 million on SingTel DigiNet and MetroEthernet services. For avoidance of doubt, the total spend excludes spending on value added services.
- Services subscribed under the Customised Scheme are solely for the purpose of connecting to international gateway for international services, with one end connected to the customer's POP;

- Accepts the Customised Scheme in its entirety.
