

Effective Date:	14 February 2011
------------------------	------------------

Name of Service:	SingTel Meg@POP Service. <i>For additional details, refer to www.singtel.com under “Business Customers”</i>
-------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------

Description:	Customised Meg@POP Service Scheme (Customised Scheme)
---------------------	----------------------------------------------------------------

Prices (including discounts):

- The premature termination charge(s) will be waived for 1 x 100Mbps Meg@POP EthernetLink circuit (12 months remaining on the contract) and 1 x 50Mbps Meg@POP Elite circuit (16 months remaining on the contract) on the condition that the customer subscribes to the Customised Scheme.

- Customised tariffs

Service	Monthly Recurring Charge (per circuit)	One-Time Charge (per circuit)
2 x 100Mbps Meg@POP EthernetLink	\$1,197	Waived
26 x 10Mbps Meg@POP eLite	\$190	
2 x eBGP Routing Service	Waived	

- The contract term for the Customised Scheme and the services subscribed under the Customised Scheme is two (2) years.

Terms and Conditions:

- There shall be no auto-renewal for the Customised Scheme.
- The customer shall not resell the services subscribed under the Customised Scheme.
- All other terms and conditions of the SingTel Meg@POP service shall apply.

Suspension and Termination Provisions:

refer to www.singtel.com under “Business Customers”

Eligibility:

The Customised Scheme will be offered to any customer who satisfies the following criteria:

- subscribes to the combination of circuits in the above table in a single application. For the avoidance of doubt, the customer may purchase additional circuits under the

Customised Scheme so long as it has subscribed to the minimum volume of circuits in the above table;

- has been maintaining and continues to maintain a good payment history with SingTel;
- and accepts the terms and conditions of the Customised Scheme in its entirety.
