

Effective Date: 20th October 2011

Name of Service: SingTel Local Connectivity eShop

Description: Online application of services via eShop

Prices (including discounts):

The services provided via eShop (**Services**) include:

- Standard Meg@POP IPVPN EthernetLink service (bandwidths from 3Mbps to 1Gbps)
- Standard Meg@POP IPVPN eLite service (bandwidths from 10Mbps to 100Mbps)
- Standard Meg@POP EVPL EthernetLink service (bandwidths from 10Mbps to 500Mbps)
- Point to Point MetroEthernet (bandwidths from 2Mbps to 1Gbps)

Customers will enjoy a 5% discount off the prevailing list monthly recurring charges and prevailing list one-time installation charges (**Discount**) for new Services subscribed via eShop. The standard term discount of the respective Services will apply over and above the Discount.

Customers who have signed a Master Service Agreement (**MSA**) will either enjoy the prices based on their MSA or enjoy the Discount for the Services.

Customers must have access to the SingTel Business Portal before they can access the eShop.

All other standard terms and conditions of the respective Services will be applicable.

Suspension and Termination Provisions:
