

Effective Date: 17 May 2016

Name of Service: Singtel Meg@POP E-Access service. *For details, refer to www.singtel.com.*

Description: Revision of Singtel Meg@POP E-Access service scheme

Prices (including discounts):

Relocation charge (\$ per site per circuit): \$1,300

The tariff is based on only the Non-Residential (E-Access) rates listed by Nucleus Connect.

In the event that the required service location is not within coverage of Nucleus Connect's Non-residential scheme, Nucleus Connect shall impose additional charges upon the customer.

All other charges imposed by Nucleus Connect in the provision, maintenance and termination of the Service shall remain applicable.

Terms and Conditions:

1. All other standard prices, discount schemes, terms and conditions of the Singtel Meg@POP service and Meg@POP E-Access service shall remain applicable.

Eligibility:

Retail customers
