

**Effective Date:** 16 June 2017

**Name of Service:** Meg@POP. *For additional details, refer to [www.singtel.com](http://www.singtel.com).*

**Description:** Introduction of Meg@POP Payment Gateway Service

**Prices (including discounts):**

The Meg@POP Payment Gateway service (**Service**) is a value added service which offers an Ethernet Virtual Circuit (**EVC**) connecting the merchant's virtual private network (**VPN**) directly to the NETS VPN.

<b>Monthly Recurring Charge</b>	<b>One-Time Charge</b>	<b>Re-configuration Charge</b>
\$200	\$100	\$100 per request

The charges above do not include any other charges by NETS and/or the bank(s) including, but not limited to, rental of the terminals, transaction charge and installation charge. The customer should contact NETS and/or the respective bank(s) directly on such matters.

**Terms and Conditions**

1. The minimum contract term for the Service is one (1) year.
2. The Service is only available over Meg@POP IPVPN EthernetLink or Meg@POP eLite.
3. The Service is limited to NETS UPOS terminals only.
4. The banks available on the Service is subject to NETS partnership arrangements.
5. A discretionary discount of up to 10% shall apply to the monthly recurring charge. For the avoidance of doubt, there will be no volume or term discount applicable.
6. The customer shall be responsible for obtaining an agreement with NETS to allow them to join to the NETS VPN. The customer must submit a letter of authorisation from NETS together with its application for the Service.

**Suspension and Termination Provisions:**

1. In the event that the customer terminates the Service during the contract term, the customer shall be liable for a premature termination charge of 100% of the remaining contract value.

**Eligibility:**

All customers
