

Effective Date: 4 November 2013

Name of Service: SingTel Wholesale B-Access service

Description: Revision of Wholesale B-Access service scheme (“**Service Scheme**”)

Prices (including discounts):

Residential End-User Access Service Schemes

- 150Mbps/150Mbps PIR (40Mbps download CIR)
- 200Mbps/200Mbps PIR (40Mbps download CIR)
- 300Mbps/300Mbps PIR (40Mbps download CIR)
- 500Mbps/500Mbps PIR (40Mbps download CIR)
- 1Gbps/1Gbps PIR (40Mbps download CIR)

The revision of the Service Schemes will apply to all new and existing SingTel Wholesale B-Access customers.

All other prices, terms and conditions of the Service shall remain applicable.

Suspension and Termination Provisions:

The early termination charge for the residential end-user access component will be 100% of the remaining contract value.

Eligibility:

The Service will be available to Facilities-Based Operators, Services-Based Operators and Broadcast providers (excluding class licences) licensed by the IDA and the MDA respectively.
