The one-time charges of the services offered under the Customised Package will be waived.

The customer may purchase additional Meg@POP circuits at the same customised price.

Key Terms and Conditions:

1. The contract term of the Customised Package will be 3 years.
2. The contract term for all circuits subscribed under the Customised Package will be 3 years.
3. The customer shall not resell the service(s) subscribed under the Customised Package.
4. The Customised Package is subject to resource availability.

5. There will be no auto renewal of the Customised Package. For any service required after the contract term, the customer will have to re-negotiate with SingTel.
6. No other discounts, including term and volume discounts, or promotions shall be applicable to the Customised Package.
7. All other standard prices, terms and conditions of SingTel Meg@POP service, Meg@POP IPVPN eLite service and Meg@POP IPVPN EthernetLink service shall remain applicable.

Suspension and Termination Provisions:

For details, refer to www.singtel.com.

Eligibility:

The Customised Package is offered to any similarly situated customers who meet the following criteria:

- a) Must have or be willing to subscribe to a minimum of 750 Meg@POP circuits under the Customised Package;
- b) Must have or be willing to commit to a minimum annual revenue of \$3 million on SingTel services; and
- c) Accepts the terms and conditions of the Customised Package in its entirety.
