

Effective Date: 22 May 2014

Name of Service: Dark Fibre service

Description: Customised Dark Fibre service package (“**Customised Package**”)

Prices (including discounts):

1 pair of Dark Fibre (standard) and 1 pair of Dark Fibre (exchange diversity):

Monthly recurring charge (“**MRC**”) - \$24,000

Installation charges - waived

The customised tariff excludes co-location and any service level agreement. The customised tariffs are only applicable to renewed circuits.

Key Terms and Conditions:

1. The contract term of the Customised Package and each Dark Fibre pair subscribed under the Customised Package is 3 years.
2. The customer has the option to extend the contract term of the Customised Package for a minimum of 2 years after the initial contract term of 3 years. If the customer exercises that option, the MRC of the Dark Fibre services shall be \$21,600 for the additional contract term of 2 years.
3. There shall be no auto-renewal for the Customised Package.
4. No other discounts shall apply to the Customised Package.
5. The customer shall not resell the services subscribed under the Customised Package “as is” or as a standalone Dark Fibre service but may use the services as part of its own network to offer its own services.
6. The B-end shall not be a cable station, earth station, telephone exchange, manhole, room housing a main distribution frame, power room, lead-in pipe, ducting, at any outdoor site, or at any premises not owned by the customer. SingTel shall not entertain any request for termination of the service at any such sites.
7. In the event that the customer requires a relocation of the service, SingTel and the customer shall come to an agreement on the relocation charge to be applied.
8. The services subscribed under the Customised Package are subject to resource availability.
9. The customer shall be responsible for obtaining all authorization necessary for SingTel to access the customer’s POP.
10. All other terms and conditions of the SingTel commercial Dark Fibre service shall apply.

Suspension and Termination Provisions:

The premature termination charge (“**PTC**”) of the renewed circuits shall be waived. In the event that the customer terminates any service(s), the customer shall be subject to a PTC of 100% of the remaining contract value.
